The 2014 Clan Scott Gathering

Dear Clan Member,

It is five years since a proper opportunity for revisiting the heartlands of the Scott family was organised and Andrew Polwarth and I, as joint Chiefs, are delighted at the preparations that are now well in progress for June 24th-27th.

Embracing Abbotsford, Bowhill and Harden and with opportunities to roam the historic Border towns and landscapes, the programme offers, we believe, something for everyone interested in celebrating their roots and ancestry.

We and our families look forward enormously to welcoming you to a spirited and inspiring week that will bring together old friends and provide a warm embrace to all who wish to celebrate their Scott family kinship.
